# College of the Immaculate Conception,

## NEW ORLEANS.

This literary Institution, incorporated by the State of Louisiana, and empowered to confer degrees, is conducted by the Fathers of the Society of Jesus.

The buildings are well adapted for educational purposes. A Court-yard, entirely cut off from the street, is reserved for recreation; so that, from the arrival of the pupils, at 7:30 A. M., till the departure, at 4 P. M., they are constantly secluded and superintended.

The course of instruction embraces Greek, Latin, English, French, Poetry, Rhetoric, History, Geography, Mathematics, Astronomy, Natural and Mental Philosophy, with the addition of Book-keeping and the usual Commercial Branches.

Students are not admitted, unless they know how to read and write.

The moral and religious training of the students is the leading object of the instructors.

Every month a report is sent to parents, stating conduct, progress, rank in class, and attendance.

The Academical year begins on the first Monday of October, and ends about the 31st of July.

Thursday is the weekly holiday.

On Sunday, Mass at 8 A. M., which all are obliged to attend.

Regular attendance is required, as being indispensable to the progress of the student, who otherwise would miss lessons and explanations which cannot be replaced by their private study. Hence, non-attendance subjects them to punishment, unless accounted for by a note from home. It is hoped that parents will be very particular in this respect, and also in regard to the performance of the task assigned for each day, out of the College hours.
